Welcome Message

Dear Partners,

The Emirates Society for Rheumatology (ESR) recognizes that progress in rheumatology treatment depends on partnering between rheumatology and healthcare industry and the healthcare providers.

ESR Annual Meeting is the opportunity for pharmaceutical, device and healthcare product manufacturers to launch new products, present research findings and communicate in person with their targeted audience: decision makers, healthcare providers, researchers and practitioners to share expertise, and learn about the innovative educational techniques, and to network with their peers. The designed program will be very informative and will attract professionals from the Gulf area.

The ESR Annual Meeting 2025 will be held at the Conrad Abu Dhabi Etihad Towers.

On behalf of the committee, I invite you to be one of the pioneers to support ESR Annual Meeting in its 10th edition.

ESR Annual Meeting 2025 promises to be the cornerstone and foundation for an international scientific meeting place, and to be the core of rheumatology studies.

Sincerely,

Dr. Shamma Al Nokhatha

Destination

Abu Dhabi

Abu Dhabi is the capital city of the United Arab Emirates with its centre situated on an island, separated from the mainland by a narrow water channel. The city makes full use of this natural asset, with the impeccably maintained Corniche, running for several kilometres along the shoreline and a focal point for social activities. It is a thoroughly modern city with gleaming skyscrapers and beautifully landscaped gardens but there remains a pride in its culture and heritage.

In recent years, Abu Dhabi has become increasingly well known, both through its dramatically enhanced tourism facilities and its worldwide sponsorships and partnerships. The city now plays hosts to a Formula 1 race on what is probably the world's best racing facility. The first ever branch of the Louvre is now open in Saadiyat Island, a dedicated cultural centre that will also house a branch of the Guggenheim. It is home to the most expensive hotel ever built, the magnificent Emirates Palace and regularly hosts worldclass cultural and sporting events. In short, Abu Dhabi has become a truly cosmopolitan capital city and it is well worth extending your stay to enjoy its many attractions.

Climate

Abu Dhabi has an arid desert climate- extremely hot and humid in summer, pleasantly warm in the winter. Although the fierceness of the summer heat starts to decline during September, days are still hot with temperatures usually in the upper 30's Centigrade (upper 80's Fahrenheit), so good for sunbathing on a beach or relaxing around the pool. The evenings are very warm and usually still rather humid so there is no need for coats or pullovers if you are outside, but a pullover or wrap is useful for the coolness of air conditioned interiors. You are extremely unlikely to see any rain during your stay, just 12 hours of sunshine.

Getting Around

Abu Dhabi International Airport is served by many international carriers included the awarded national airline Etihad Airways. The airport is around 30 minutes drive from the city centre and 15 minutes drive from the course hotel. International flights also are available to Dubai International Airport, which is around 2 hours drive from Abu Dhabi.

The UAE has an excellent road system with wide highways linking the major cities. Speed limits vary, up to a maximum of 120 km/h on the main highways. Taxis are widely available and inexpensive.
